# INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

## Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

## Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Verry plain and we put in our application signed by two living witnesses who knew our Famaley back in Georgia and Distaplied Positively that we had Cherokee blood in the famaly of their own knowledge (The witnesses were verry old) we gave all the proof necesary in verry particular except we could not give the Indian name not knowing it would verry be needed the Famaley ~~that~~ part of the record was never kept.

While I know you are in a verry responcible position and a great many will try to froom bogus claims I desire you to know we are not of that stripe and can furnish you proof if necesary.

Now there is one thing certain we may never get any of the "Cherokee

In answer to the first Question. I state. I have heard my father say that the reason he and my Mother were not enrolled while they lived in Polk Co Tenn, was that there was no enrolling office in Polk Co Tenn and that he was only 4 years of age. in 1851. & that when he became of years he did not know that he Dejuried to be enrolled.

In ans to the second Question. My Grandfather was Thomas Filmore and my Grand Mother was Ellen Filmore. I do not know of they ever were enrolled. I have never had the opportunity to be enrolled.

My Reasons for believing that I was decended from the Cherokees is that I have been often told so by my father and Mother, and they informed me that they learned of their decents from the Cherokees by & through Conversation with their Grand Parents.

I cannot answer the last question.

Hon. Guion Miller,

My dear Sir:

The enclosed letter will explain itself. I would be very glad if you would furnish my correspondent with any information you may have on the subject.

Very truly yours,

W. P. Brownlow

App. No.39084.

March 13, 1908.

Honorable W. P. Brownlow,
House of Representatives,
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your letter of March 12, 1908, inclosing a letter from Mr. J. W. Caywood, of Bulls Gap, Tennessee, relative to the application of Margaret Cawood for participation in the Eastern Cherokee fund.

In reply you are advised that this application has not been reached for final adjudication and I cannot state at the present time whether she is entitled to share in this fund, or when this money will be paid.

When this office has completed the examination of the applications, grouped them into families, compared them with the rolls and in many cases where the applications and other proof are insufficient taken testimony in the field, the roll will be submitted to the Court of Claims for its approval, when time will be allowed for the filing of exceptions. If many exceptions should be filed a further investigation may have to be made, and until the Court has disposed of these exceptions and the final roll has been approved by the Court no money

can be distributed.

As there are over 44,000 applications on file it will necessarily take considerable time to complete this work.

If any further information is required in connection with Margaret Cawood's application she will be notified when her claim is reached for final determination.

Mr. Cawood's letter is returned.

Very respectfully,

Special Commissioner.

COURT OF CLAIMS

Rec. JUN 3 1908
No.

39088

State of Tennessee }
County of McMinn }

Personally appeared before me W A Brackett a Notary Public in and for said County, Maggie Pettitt, and testified as follows in regard to her application for participation in the Eastern Cherokee Fund - No. 39,088, :—

I can not answer exactly the questions on enclosed blank but will tell you as near as possible the story of my Indian ancestry.

My Mother and Grandmother (my mothers mother) were slaves owned by one Henry Bradford (a white man) way back befor the war. They lived in Polk County Tennessee. The Cherokee Indians were settled on the banks of the Hiawassee River near the Mouth of Ocoee River within about 4 miles of the Bradford plantation. My Grandmother took up with these Indians and had one child by the Indian Chief; this child was my Mother. The Indians kept watch over this child. Two indian women coming each day to care for it while

its Mother worked at the White folks
house. She got accustomed to them
coming and thought nothing of it-
but when the child was about a year
old - some one called to her after she
had gone to work that the Indians
were carrying off her baby. She ran
to them begging them to give it up
but they would not listen to her. the
Father of the child (the Indian chief)
was waiting for them out in the or-
-chard and determined to take
the child away as they were going
to move the Indians away from this
Country and he said he did not
want any of his blood to be slaves.
As the Mothers pleadings were of
no avail She ran to the house for
her Mistress (the white lady of the
House) She came to the Indians
and begged for them not to take
the Baby and finally paid them
to leave it. Gave them great loads
of Coffee, Sugar, Factory thread etc,
and they finally were induced to leave
the child with its Mother. I do not
know what was the Name of this Indian
chief - who was my Grandfather but
I have always known this story
to be true for my Mother and
Grandmother always taught one
that my Grandfather was an Indian
Chief and I have often heard them
tell how the Indians tried to steal
my Mother away when they were to
be taken away from this Country.
I suppose this was in 1837.
My Grandmother was probably living
in Jefferson Co. Tenn. in 1834-35 as
her owners the Bradfords came from

Chiz and I have often heard them tell how the Indians tried to steal my Mother away when they were to be taken away from this Country.

I suppose this was in 1851. My Grandmother was probably living in Jefferson Co. Tenn. in 1834-35 as her owners the Bradfords came from there to Polk Co. Tenn.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. JUN 26 1908
No. 39094.

My grand parents lived with the tribe shortly after they were married in 1820. or 1822. They lived among the Indians in North carolina about 3 years and then moved to Tennessee to get away from the indians who threatened to kill him because he whipped his wife. He being a white man and his wife an indian the indians got mad at him and he took his wife & moved her to Tennessee. My grand parents, My parents and their Children, were recognized by the white people as mixed breed and were called the indians in the communities in which they lived. In 1851. my parents were living in the mountains of Bent County Tennessee. Not having any Education it is possible they never heard of the Enrollment. They would naturally dodge or keep away from. Enrolling for fear they would be carried out of the Country to the indian nation and they did not want to go. My father & mother went back to the State of Indiana in N.C. in 1866. who were called

by a Chief called Sonnook and Remained 2 years then returned to Tennessee. From my hearing my Parents talk, they said they never intended to go to the Indian nation. and I suppose they kept out of the way so as not to be Enrolled for fear they would be taken away. My grand parents in 1834 + 1835. had left the tribe + moved to Tennessee to get away from the Indians who threatened his life for whipping his wife he being White & the Indians. Having answered the questions presented in your letter of May 23.d 1908. which I just this day received I am

My name is Eliza M. Wooten; I live near Yadkinville, N. C.; I am 45 years old, and have lived here all my life. My father is Jos. Sizemore, and his father was Isom Sizemore. Leah M. Sizemore, who has just testified, is my aunt. I do not claim any Indian blood only through my father and grandfather. I don't know anything more about the case than my aunt; she is so much older than I am. I have always been known as a white woman and my father as a white man. I knew my grandfather and they always said he was known as a white man. I have heard that I was of Indian blood ever since I was born. I have heard my grandfather say that he was half Indian; he did not say what Indian hewas. I never received any Indian money, and never heard of my father receiving any. I never heard of any Indians living around here, as Indians.

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee Indians, will ask whether your mother and your grandmother, through whom you claim Cherokee descent, were ever held as slaves? If so, were they owned by a white man or a Cherokee Indian?

Your prompt reply will be appreciated.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita.*

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. 39104 for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

~~If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.~~

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

Dear Sir:

Enclosed herewith I beg to hand you claims in favor of Mrs. Julia E. Hawk, and her Daughter Mrs. Alice J. Strickland, who are by blood related to the Eastern Cherokee Indians. These claims for their interest in the apportionate for lands or money to be allotted under the order ~~the order~~ of April 29, 1907, of the Court of claims. On August 9, 1907, I mailed affidavits to the commissioner of Indian affairs, care of the Interior Department, Washington, D. C. in regard the above named parties. At the same time I mailed to Cherokee Land Office of Commissioner J. George Wright, Oaklahoma City, I.T. duplicates of these affidavits. If you need or think these affidavits would be helpful in the matter above mentioned I would thank you to get them from the Interior Department and allow them to be filed along with the claim. I have myself a copy of these affidavits on my file having had them made in triplicate, for fear of them being lost in some way I had them made as above stated. The first steps I took in regard to them, namely, sending to the Interior Department affidavits was when I had no authority as ~~to~~ how to act in reference to this matter. I also enclose you an affidavit which I secured since I sent the affidavits to Washington, to the Interior Department, from Robert B. Colwell.

Madam:-

Kindly advise this office why you were not enrolled with the Eastern Cherokees in 1851.

Why were your parents never enrolled with the Eastern Cherokees?

Were you held as a slave? If so, were you owned by White people or Indians?

Did you ever live with the Eastern Cherokee tribe as a recognized member of the tribe?

Respectfully,

Special Commissioner.

Bryant Brooks being first duly sworn deposes and says:

I am 75 years old. I claim Cherokee Indin blood as I understand from my mother. I live in Hamilton County. I was born in 1832. I have no regular home. I was born in N.C. in Halifax County. I was only six weeks old when my father came to Ind. My free papers state that I was born in the 17th of Feb. 1832. I get my Indian blood through my mother, Dicey James. She was 94 years old when she died. She got her Indian blood through her father, Ben. James. He lived and died down in N.C. He alsways lived in Halifax County as far as I know. I get my colored blood on my father's side. None of my people were ever held as slaves. We were all free born. I know Mary Jane Roberts, and she is my sister. I have a brother, Calvin Fletcher Brooks, who lives at Marion. He gets his Indian blood the same as we do.

Appl. #39151

Carrie Boyd being first duly sworn, deposes and says:

My name is Carrie Boyd. I live at R. F. D. # 3, Asheville, N. C. I claim Cherokee Indian blood through my father and mother both. My father got his from his father, and my mother got hers from her mother. I was born in 1867 in Buncombe Co., N. C. My mother is living and is about 55 years old. I don't know whether my father is living or not. He would be somewheres in 60's. My father and mother and grandparents never got any money or land from the Govt. on account of their Indian blood. I never heard of them being enrolled with the Cherokees. In 1882 we were living in Madison Co., N. C. I went by the name of my mother, Johnson. My father and mother and grandparents lived with the Indians in Cherokee. I mean Cherokee nation where the Indians were. I don't know of any Indian name my mother and father had. My mother was a slave, and belonged to the Johnsons. My mother married Wiggens. My father never was a slave. He got his Indian blood through his father. I think his father's name was Davie Tucker. He got the name of McBeth from the people he lived with. None of my ancestors got any money or land from the Govt. My father and grandfather were driven away with the Indians when they were driven away from here. They stayed out west. My mother said she never saw my father any more after he left here. I mean they went out with the Indians after I was born. I never heard them speak of when the Indians were first driven out of this country. My father stayed with the Indians most of the time.

Appl.#39151-Carrie Boyd.

Asheville, N. C. June 16th, 1908.

Hon. Guion Miller, Special Agent,

Washington, D. C.

Dear Sir:-

In reply to your favor of May 23rd, I state that my grand parents both on my fathers and mother's side under whom I claim, resided with the Cherokee Tribe in Western North Carolina, a great portion, if not all of their lives. They spent sometime in the Counties of Buncombe and Haywood, North Carolina, but their home was with the Cherokee Tribe. I have no record as to the dates, other than I know about 20 years ago my grandmother lived in the County of Madison, N. C. My parents, both on my fathers and mother's side were recognized as indians. My father was a full blooded indian. My mother was half blood. My mother's father belonged to the colored race. I do not know why my parents were not enrolled in 1851. My grandparents , as above stated lived with the Cherokee Tribe in 1834-35 a greater potion of their lives. My mother who was half indian was a slave. My father was never a slave.

If you wish the above statement verified, please advise me.

Respectfully submitted.

Sir:-

Mattie Bird's application No. 3918 advises me that Mr. Charles H. Bradley, one of your assistants, obtained the evidence of her mother, Jennett Deman, or Demq. She also mentioned No. 3968— but does not know whether that was her mothers number or not.

She also advises me her mother died June 8, 1908.

Mattie Bird 3918 certainly has a good Cherokee claim. She shows her Cherokee blood.

Appl. #39193-36570

Carl A. Glore being first duly sworn, deposes and says:

My name is Carl A. Glore. I live at 518 DeSoto Ave., St. Louis, Mo. I claim to be related to the Eastern Cherokee tribe of Indians. I claim through my ~~maternal~~ great-grandfather on my mother's side. My mother is not living. My mother died in 1876, and was about 30 years old when she died. When my mother was born her parents lived in ~~Lincoln~~ Bates Co., Mo. I don't know how long they had lived there but my grandfather on my father's side and my grandfather ~~xxx~~ on my mother's side came there together about 1833 or 1834. They left the tribe and came there. I don't know whether my grandfather on my mother's side was enrolled. I don't make any claim through my father's side of the house. My great-grandfather's name on my mother's side was Jack Rabbit. I always understood that he was ~~xxx~~ one of the Chiefs of the Cherokee tribe. My mother's maiden name was Sarah Rabbit, her father's name Joe Rabbit. Joe Rabbit was the son of Jack Rabbit. Joe Rabbit married a woman by the name of Abbott, and he afterwards, (after he came to Mo.) took up the name of Joe Abbott.or Abbitt. It was Joe Rabbit that emigrated in 1833 from N.C. to Mo. My grandfather, Jack Rabbit, always lived east of the Miss. River. I don't think he ever left the tribe. None of my ancestors were ever held as slaves. Jack Rabbit, my great grandfather always lived in N. C. near Shooting Creek.
